

Features

- MCU
 - STM32F746IG Cortex®-M7 CPU with FPU 216 MHz, Art accelerator, 1 Mbyte of Flash memory, 320 Kbytes of SRAM
- User interface
 - 4 status LEDs
 - Joystick
 - Audio microphone and headphone jack
 - User button, reset button
 - 4”3 touch screen color LCD
- Debug interface
 - JTAG/SWD connector 20 pin 0.1”
 - Trace connector 20 pin 0.05”
- Communication interface
 - 2x USB connectors
 - RS-232 DB9 connector
 - Ethernet
- Power functions (including multiple power supply options):
 - JTAG/SWD (pin 19)
 - USB
 - External power jack
 - Trace connector (pins 11 & 13)
 - Power supply LED
 - Comparator

1. Picture not contractual.

- Others
 - SD card slot
 - 16 Mbit of QSPI Flash memory
 - 256 Mbit of SDRAM
 - Temperature sensor
 - 3D accelerometer & 3D gyroscope
 - 3D magnetometer
 - Buzzer

1 Description

The IAR™ starter kit is a complete, cost-effective solution for starting application development and evaluating the STMicroelectronics STM32F7 Series ARM® Cortex®-M7 core-based microcontrollers.

It contains all the necessary hardware and software and allows the user to design, start to develop, integrate and test the applications, right out of the box:

- Evaluation board with STM32F746IG MCU
- J-jet-Lite debug probe
- Software tools, project examples and documentation, included in the DVD installation

IAR™ starter kits are available for a full range of ST ARM® core-based microcontrollers.

2 Ordering information

To order the IAR™ starter kits from IAR™, from your nearest ST distributor or sales office, use the order code: STM3274G-SK/IAR.

For more information and complete documentation, please refer to the IAR web site, www.iar.com or the STMicroelectronics microcontroller support site on www.st.com.

3 Revision history

Table 1. Document revision history

Date	Revision	Changes
15-Sep-2015	1	Initial release.

IMPORTANT NOTICE – PLEASE READ CAREFULLY

STMicroelectronics NV and its subsidiaries ("ST") reserve the right to make changes, corrections, enhancements, modifications, and improvements to ST products and/or to this document at any time without notice. Purchasers should obtain the latest relevant information on ST products before placing orders. ST products are sold pursuant to ST's terms and conditions of sale in place at the time of order acknowledgement.

Purchasers are solely responsible for the choice, selection, and use of ST products and ST assumes no liability for application assistance or the design of Purchasers' products.

No license, express or implied, to any intellectual property right is granted by ST herein.

Resale of ST products with provisions different from the information set forth herein shall void any warranty granted by ST for such product.
